

I would like to express my concern about the FCC's allowing the LPFM stations to take priority over current FM translator service. K-LOVE radio, which I listen to on 100.9 in Tucson, is an integral part of my life. I listen EVERY day on the way to work, and without it, I think my life would be empty. In addition, I think losing this station would affect our community as a whole in that they will not be able to hear the message this station brings us. The service provided by K-LOVE is in the public interest because it gives the people a message of love and hope in a world that does not offer it to them.

Thank you for listening.
